

***werduz** Runic: 𐰪𐰆𐰚𐰚𐰚𐰚 Pronunciation: /'wer.ðuz/

noun · masculine · u-stem

Meanings

host

Etymology

From Pre-Germanic *(H)wer-tú-s, which could be related to *waraz ('watchful, aware'), in which case the original sense was "attender"; the related Old Norse verðr ('meal') would then have had an earlier meaning of "attendance." Or, possibly related to *werþaną ('to come about, happen'), with sense development "turn" > "participation".
