

***wiprą** Runic: 𐰪 𐰺 𐰽 𐰾 Pronunciation: /'wiθ.rã/

preposition

Meanings

toward, against

Etymology

From Proto-Indo-European *wíterom, adverbial accusative of *wíteros, from *wí ('apart') + *-teros (comparative). Particularly close cognate with Sanskrit वितर (vitara, '(leading) further away'). For the suffix development, compare *aftrą, but contrast the adjective *anþeraz.
