

***wulgī** Runic: 𐰪𐰆𐰚𐰩 Pronunciation: /'wul.ɣi:/

noun · feminine · ī/jō-stem

Meanings

she-wolf

Etymology

From earlier *wulgwī, from Proto-Indo-European **w_{l̥}ǵʰi₂s* (‘she-wolf’), though with the suffix replaced with the ablauting *-ih₂. The delabialization is probably triggered by following *j, though the expected interference of Siever's Law may complicate this explanation. Compare Proto-West Germanic *wulbi.

Declension

Case	Singular	Plural
Nom.	wulgī	wulgijōz
Acc.	wulgijō	wulgijōz
Gen.	wulgijōz	wulgijō
